Dedication in Memory of Dr. Edward Kaczuk

- This new and restored instrument features both a full three division pipe organ and an digital pipe organ that can be played independently or in combinations with the pipe organ.
- The design and mechanical portions of the full pipe organ were made by the Holtkamp Organ Company of Cleveland, Ohio and combine new pipes with restored pipes from our old pipe organ.
- The Allen Organ Company of Macungie, Pennsylvania produced the HO85 digital pipe organ that is now part of this installation.
- This concert is provided in part by Pellegrino Music Center of Canton, Ohio and the Allen Organ Company.
